DESCRIPTION

This unique chandelier known as the PH Artichoke Pendant is in a vintage style designed by Poul Henningsen. His design was inspired by the electric lightbulb. This stunning chandelier is glare-free with 66 aluminum leaves positioned in 11 overlapping rows of 6 for an illuminated room. Its industrial modern style is a great accessory to any room.

We offer three sizes to choose from (Small, Medium and Large) and three colors: White, Brushed Aluminum and Brushed Rose Copper. This item is the Small. There are three stainless steel wires that hold this fixture, which can be adjusted during installation to hang the chandelier with an adjustment range of 30 to 168 inches (as measured from the ceiling to the bottom of the fixture). The underside of the leaves are finished in white. Hardwire only.
