HISTORICAL NOTES

The Model 2332 Loveseat is part of the 2300 series as originally designed by Borge Mogensen in 1962. As typical of the furniture designed by Mogenson, the Model 2332 has minimal styling and its simplicity and classic style have made this line among one of Mogensen's most popular designs. Our Mogensen inspired Model 2332 loveseat is an accurate replica of the signature brand which sells for thousands of dollar more. We use heavy-duty wood frame construction, sold wood legs and premium leather upholstery. The back and seat cushions are filled with foam and dacron fill. We also have a matching sofa and chair.
