DESCRIPTION

This item are the cushions only which fit the original Barcelona Chair and most replicas of the Mies van der Rohe Barcelona Chair. This item includes two cushions (back and seat). It also includes the snap kits to attach them to the frame, but it does not include the wide straps that are riveted to the frame. Those are purchased as a separate item, see add-on options below or this link:

Shown here in Driftwood Tan leather, our cushion surfaces consist of 40 individual leather panels; each piece is cut and hand-sewn using a hand-rolling welting technique known as Capitona. The seat and back cushions are filled with high resilient - high density polyurethane foam that is CAL117 flame test rated. The cushions are supported by leather straps riveted to the frame and whose top and side edges match upholstery color. Front and top corners of the cushions have no exposed seams.

Dimensions:

Back Cushion: 29.5w x 19h x 3.5" thick
 Seat Cushion: 29.5w x 21d x 3.5" thick

LEATHER CHOICES

Modern Classics Furniture offers two levels of Top-Grain Italian Leathers. Each of the these groupings feature:

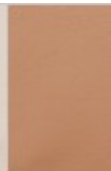

- Top-grain Italian leather from Grade A hides
- Semi aniline-dyed (standard) and 100% aniline-dyed (premium)
- Made in Italy and imported to our factory
- Have a UV and Moisture Guard built into the dye
- Are not split hides or bonded leather

We are happy to mail you a physical piece of leather so you can hold it in your hands.

Below are the leather colors we offer for our Barcelona Collection. Our **Standard Leathers** (denoted with the prefix L1) are top-grain, aniline-dyed, and then color corrected with a slight embossing to create a more uniform grain pattern. Our **Premium leathers** (denoted with the prefix L2) are also top-grain, aniline-dyed but have a soft feel to them and much of the hides natural grain patterns are retained. All our leathers are considered equally durable and are ideal for home or commercial use. To read more about leather, read our [A Guide to Understanding Upholstery Leather: A Primer](#).
