DESCRIPTION

Our version of the Hans Wegner shell chair is close match to the signature version. We have created our own mold for forming the veneer plywood, so that it conforms to the authentic version. We offer two standard wood choices for our chair, a 7-ply Oak Veneer with a light natural stain or a 7-ply Walnut Veneer finished in a medium stain.

Upholstery choices for this model is what we call Pony Hide, which is cowhide with hairs and dyed either with black/white or brown/white. LEATHER CHOICES

Modern Classics Furniture offers two levels of Top-Grain Italian Leathers. Each of these groupings feature:

- Top-grain Italian leather from Grade A hides
- Semi aniline-dyed (standard) and 100% aniline-dyed (premium)
- Made in Italy and imported to our factory
- Have a UV and Moisture Guard built into the dye
- Are not split hides or bonded leather

We are happy to mail you a physical piece of leather so you can hold it in your hands.

Below are the leather colors we offer for our Barcelona Collection. Our **Standard Leathers** (denoted with the prefix

L1) are top-grain, aniline-dyed, and then color corrected with a slight embossing to create a more uniform grain pattern. Our **Premium leathers** (denoted with the prefix L2) are also top-grain, aniline-dyed but have a soft feel to them and much of the hides natural grain patterns are retained. All our leathers are considered equally durable and are ideal for home or commercial use. To read more about leather, read our [A Guide to Understanding Upholstery Leather: A Primer](#).
