## DESCRIPTION

Our Wulff Lounge Chair is inspired by Danish modern ATD2 Lounge chair as designed by Jorgen Wolff in the 1938. With it's sculptural arms and wing-shaped back, it really captures the Danish Modern vibe of the period.

The upholstery options we offer for this chair include our full spectrum of boucle fabric or the genuine "shearling" sheepskin upholstery in a light tan, which is the more traditional choice. We love the comfort of the curved back which makes this lounge chair extra cozy for you and your guests. The wood frame options are Ash Wood with a Natural finish or Walnut Wood with a natural finish.
