LEATHER CHOICES

Below are the leather colors we offer for this product. Our **Standard Leathers** (denoted with the prefix L1) are top-grain, aniline-dyed, and then color corrected with a slight embossing to create a more uniform grain pattern. Our **Premium leathers** (denoted with the prefix L2) are also top-grain, aniline-dyed but have a soft feel to them and much of the hides natural grain patterns are retained.

All of our leathers are considered equally durable and are ideal for home or commercial use. To read more about leather, read our A Guide to Understanding Upholstery Leather: A Primer.

Features of our leather include:

- Top-grain Italian leather from Grade A hides
- Corrected aniline-dyed (standard) and semi-aniline dyed (premium)
- Made at Italian tanneries and sent to our factory
- Have a UV and Moisture Guard built into the non-toxic vegetable dyes
- Are not split hides or bonded leather

We are happy to mail you a physical piece of leather so you can hold it in your hands.
