DESCRIPTION

Our Saarinen Style M72 Executive Side Chairs are inspired by a side chair designed and introduced in 1948 by Eero Saarinen as the second chair of his iconic Model 70 Series of chairs. Because of its production simplicity, the Model 72 Side Chair was conceived as a chair for large volume projects. But its refined form also makes it a good fit for any settling with a more residential feel.

Our M72 Executive Side Chair is a high quality version of this Saarinen Side Chair. Our internal shell is made of a molded polymer fiberglass. Next a molded foam is placed over the shell, then upholstered and the legs are attached. Upholstery options include both our classic Italian leathers and our exclusive 100% polyester boucle fabric with stain guard. The Leg options we offer are: solid stainless steel or wood. **This item has the wood legs.** Our wood legs are made of North American Red Oak, steam bent into shape and then finished in one of five colors, suitable for both commercial and residential applications. Please read our [Buyers Guide for Saarinen Dining Side Chair](#) for more details on our Executive Side chair.
