Part of the Platner Collection, our Wire Frame Coffee is inspired by Platner's designs from 1966 is an elegant addition to your living room. This iconic piece features steel rods to form the curved stool base. Our version of the Platner Coffee Table features half inch thick tempered glass resting on a sculptural base of stainless steel rods. The rods are polished to a medium shiny finish. There are clear rubber deals that are placed on the ends of the rods, to prevent them from scratching the glass and also, to keep the glass from sliding around.

Dimensions (inches):
