DESCRIPTION

Note: This quick ship item is only for the Le Corbusier Style: Grande Sofa - Driftwood Tan Leather. If you would like a different color, please go to the main product page for this item: [MC-2023](#).

Our Grande Sofa is inspired by the Le Corbusier LC3 Sofa, known the world over as the "LC3 Confort - Grand Modele Sofa." We make our version of the LC3 Sofa at our own factory. Each sofa frame uses high gauge tubular stainless steel. The frame is polished to a mirror-like finish with mitered frame corners ground to a soft radius. The feet have adjustable height glides. The webbing is 2" polyester woven elastic with hooks to hold it the frames.

We use top-grain, aniline-dyed leather on all all visible visible cushion surfaces (i.e., front, back and sides) are this leather. Inside each cushion is HR (High Resilient), Multi-Density polyurethane foam surrounded by a layer of Dacron polyester. Foam densities are adjusted for additional sitting comfort. We add extra frame supports and 5 inch legs for improved comfort over the Signature Brand.

Please read our [Buyers Guide for Corbusier Sofas](#) for more details on our LC3 Sofas.
