DESCRIPTION

Note: This quick ship item is only for the Corbusier Style: Petite Sofa - Earth Tan Leather If you would like a different color, please go to the main product page for this item: MC-2003

Our Petite Sofa (3 seater) is inspired by the Le Corbusier LC2 Sofa and is made by us at our own factory. The sofa frame is made of high gauge tubular stainless steel, polished to a mirror-like finish, with mitered frame corners ground to a soft radius. The feet have adjustable height glides. The webbing is 2" nylon with hooks to hold it the frames.

We use top-grain, leather on all exposed cushion surfaces. Inside each cushion is high density, HR (High Resilient), Multi-Density polyurethane foam. Surrounding the foam on the side and back cushions is Dacron wrap and the top of the seat cushions have a "pillow" of goose/duck down feathers, then wrapped in the Dacron.

Please read our Buyers Guide for Corbusier Sofas for more details on our LC2 Sofas.
