DESCRIPTION

Note: This in-stock item is the Saarinen Style Tulip Oval Coffee Table with Quartz Top (White with Grey Veins) and aluminum white base.

Eero Saarinen, created his Pedestal Collection in the mid-1950s. An integral part of the series, the Tulip Table mimics the same sleek design and pedestal base of the wildly popular Tulip Chair. This stunningly simplistic table is versatile, beautiful and ready to transform your space.

Featured here in the White Quartz with gray veins top and gloss white aluminum base.

Quartz is a durable, nonporous material, most commonly used on countertops. By its simplicity, it can complement any design choice. This material has a stain resistant finish that gives it a longer life free of discoloration.
