The Coconut chair offers a striking, simple shape that invites you to surround yourself in comfort. Originally introduced in 1955, the Nelson coconut chair is a 20th century furniture icon. A chair designed to look like a section of coconut shell wasn't a stretch for someone who said, "Total design is nothing more or less than a process of relating everything to everything."

Our George Nelson inspired Coconut Chair is superb, with features exceeding any other on the market.
