DESCRIPTION

While we offer a wide range of leathers and fabrics, sometimes you want to use your own fabric or leather. In most cases, there isn't any problem with doing this. Each our of products shows the material requirements for that specific piece. When you wish to use your own leather for our furniture, there is an extra cost of getting your material shipped to our overseas factory, including duties and taxes. This Add-on Option is for this purpose and the cost is calculated based on the amount of material needed for the order.

For the quantity on this fee, put in the number of square feet required for the piece(s) you are ordering.
