Our Mies Executive Armless Chair was inspired by the BRNO chair originally designed in 1930 for the Tugendhat House in Brno, Czechoslovakia. Wit the arms removed, this chair is a unique and elegant design suitable for the dining room, office seating or waiting room.

We make our Mies Executive Armless Chair using only the high quality 12mm flat stock 304 stainless steel polished to a mirror-like finish. Our upholstery is top-grain leather imported from Italy. Excellent sewing detail is maintained on the all the chair seams. The seat cushions are high resilient - high density polyurethane foam over an internal spring suspension. You will note that our seat backs and bottom also have a flat, sleek look.
