We make our Executive Flat Arm Side Chair using only the high quality 12mm flat stock 304 stainless steel polished to a mirror-like finish. Our upholstery is top-grain leather imported from Italy. Excellent sewing detail is maintained on the all the chair seams. The seat cushions are high resilient - high density polyurethane foam over an internal spring suspension. You will note that our seat backs and bottom also have a flat, sleek look.

Chairs may be ordered with or without the arm pads in matching leather, which adds about a quarter inch to the arm height. Please specify if you would like matching leather armpads when ordering. Note: Not all photos show the armpads.

Shown here in Premium Honey Tan leather.
