DESCRIPTION

Note: This Web Special item is only for the Florence 61 Inch Bench - Beige White Leather - Tufted with Buttons. We have since updated our specifications to be more true to the original 60 inch bench, with a straight stitch seam rather than piping between the tufting. If you would like a different color in the 60 inch size, please go to the main product page for this item: MC-7208

Each bench is handmade using modern furniture construction techniques for superb seat comfort and durability. The cushion surfaces on this model consist of individual panels which are sewn together with piping between the tufting points, which have buttons. All models have the welting (piping) around the perimeter edges of the cushion and frame. Exposed legs and frame are made of 14 gauge 1 inch square stainless steel tubing polished to a mirror-like finish and have adjustable feet glides. Our construction techniques provide a solid bench perfect for commercial and residential applications.
