DESCRIPTION

Our Florence Knoll Style Bench - 42 inch narrow version is inspired by the 1950s bench designed by Florence Knoll. This bench is offered in Boucle Fabric on this product page, or our leather which is presented on this product page: [MC-7210-L](#).

Each bench is handmade using modern furniture construction techniques for superb seat comfort and durability. The cushion surfaces on this model consist of individual panels which are hand-sewn together and have that tufted look between each panel intersection. There are no buttons on the standard version however, you can order matching buttons as an extra cost option. **(Please note that adding the buttons is an additional step for us, and will add about 2 weeks to the order processing times.)** All models have the welting (piping) around the perimeter edges of the cushion and frame. Exposed legs and frame are made of 14 gauge 1 inch square stainless steel tubing polished to a mirror-like finish and have a black rubber foot glide. Our construction techniques provide a solid bench perfect for commercial and residential applications.
