## DESCRIPTION

Note: This quick ship item is only for the Le Corbusier Style: Grande Sofa - Standard Black Leather. If you would like a different color, please go to the main product page for this item: MC-2023.

Our Grande Sofa is inspired by the Le Corbusier LC3 Sofa, known the world over as the "LC3 Confort - Grand Modele Sofa." We make our version of the LC3 Sofa at our own factory. Each sofa frame uses high gauge tubular stainless steel. The frame is polished to a mirror-like finish with mitered frame corners ground to a soft radius. The feet have adjustable height glides. The webbing is 2" polyester woven elastic with hooks to hold it the frames. We add extra frame supports and 5 inch legs for improved comfort over the Signature Brand.

We use top-grain, aniline-dyed leather on all all visible visible cushion surfaces (i.e., front, back and sides) are this leather. Inside each cushion is HR (High Resilient), Multi-Density polyurethane foam surrounded by a layer of Dacron wrap. Foam densities are adjusted for additional sitting comfort.

Please read our Buyers Guide for Corbusier Sofas for more details on our LC3 Sofas.
