DESCRIPTION

Our Florence Knoll Style 42" Narrow Bench - Narrow version is inspired by the 1950s bench designed by Florence Knoll.

Our Florence Knoll Narrow Bench is offered in Italian leather or our textured boucle fabric. Each bench is handmade using modern furniture construction techniques for superb seat comfort and durability. The cushion surfaces on this model consist of individual panels which are hand-sewn together using a hand-rolling welting (a technique known as Capitona) between the tufting points. Buttons are standard, however, you can request no buttons. All models have the welting (piping) around the perimeter edges of the cushion and frame.

Exposed legs and frame are made of 14 gauge 1 inch square stainless steel tubing polished to a mirror-like finish and have adjustable feet glides. Our construction techniques provide a solid bench perfect for commercial and residential applications.

FABRIC CHOICES

We offer our own exclusive collection 'boucle' textured fabric in an extensive collection of colors that are particularly suited for the mid-century modern furniture we make. This fabric and colors were custom made just for us, at a well-known North America mill. Made of 100% polyester, our boucle's are soft, durable (250K double rubs), stain and UV resistant. We have arranged these swatches in color groups below.

We are happy to mail you a physical piece of fabric so you can hold it in your hands. **Click on any of these swatches to see an enlarged view.**
