DESCRIPTION

Also known as the Tube d'Avion Table, our le Corbusier Style Dining Table is inspired by the Le Corbusier's LC6 Table. This product page is for the base only, if you're interested in the full table please go to the main product page [MC-2056](#)

Our table features a steel tubular frame powder coated a matte black, and adjustable glass supports which beautifully coordinates with his other classic designs and is a wonderful choice for contemporary dining areas. The steel frame is powder coated in a satin black finish. The height adjustment allows for a base height of 29 to 29.50 inches. (Finish table height is dependent on the thickness of the table top used.)

Dimensions:

Frame Dimension Choice: 28 x 54 inches or 28 x 62 inches

Weight: 90lbs
