DESCRIPTION

The Saarinen Style Executive Arm Chair was designed and introduced in 1950 by Eero Saarinen as the third chair of his iconic Model 70 Series of chairs. (The other two chairs of this series are the Model 70 Womb Chair and the Model 72 Side Chair.) The Model 71 Executive Arm Chair was created specifically for executive offices of the General Motors Technical School that Saarinen was also designing as lead architect.

Our Saarinen Style Executive Arm Chair is inspired by this Saarinen Model 71 Arm Chair. Our internal shell is made of a molded polymer fiberglass. Next a molded foam is placed over the shell, then upholstered and the legs are attached. Upholstery options include both our classic Italian leathers and our exclusive 100% polyester boucle fabric with stain guard. The Leg options we offer are: solid stainless steel or wood. **This item is the Stainless Steel Leg Version.** The stainless steel legs are solid stainless steel bar stock with adjustable foot glides. Please read our [Buyers Guide for Saarinen Executive Arm Chair](#) for more details on our Executive Arm chair.

LEATHER CHOICES

Below are the leather colors we offer for this product. Our **Standard Leathers** (denoted with the prefix L1) are top-grain, aniline-dyed, and then color corrected with a slight embossing to create a more uniform grain pattern. Our **Premium leathers** (denoted with the prefix L2) are also top-grain, aniline-dyed but have a soft feel to them and much of the hides natural grain patterns are retained.

All of our leathers are considered equally durable and are ideal for home or commercial use. To read more about leather, read our [A Guide to Understanding Upholstery Leather: A Primer](#).

Features of our leather include:

- Top-grain Italian leather from Grade A hides
- Corrected aniline-dyed (standard) and semi-aniline dyed (premium)
- Made at Italian tanneries and sent to our factory
- Have a UV and Moisture Guard built into the non-toxic vegetable dyes
- Are not split hides or bonded leather

We are happy to mail you a physical piece of leather so you can hold it in your hands.
