DESCRIPTION

Note: This Web Special item is only for the Mies Style: Exhibition 2-Seat Bench - Autumn Tan Leather with a choice of frame color and seat height. This has a discounted price because we have discontinued this leather color (but replaced it with the Earth Tan Leather). If you would like one of our current leather colors, please go to the main product page for this item: MC-1007.

The frame of our Exhibition 2-Seat Bench is constructed from premium grade ash with 5 finish choices. The stainless steel legs are hand-polished to a high luster finish, are 1.5 inches in diameter and have a smooth plastic foot. There is a choice of seat height: either the standard 15" height (using 9-inch legs) or 18" seat height (using 12-inch legs).

The cushion surfaces consist of 40 individual top-grain, aniline dyed leather panels; each piece is cut and hand-sewn using a hand-rolling welting technique not found in other similar benches on the market. Inside the cushion is high resilient - high-density polyurethane foam. The cushion is supported by leather straps screwed to the frame.

Please read our Comparison Guide.
