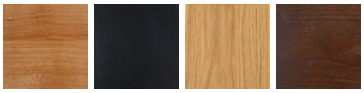
Premium Leather Choices:

Wood Finish Choices:



Leg Length:

Product Category: Benches

Designer: Mies van der Rohe

Product Group: barcelona bench

Modernism Style: Bauhaus Modern

Availability: Made to Order

DESCRIPTION

Our Exhibition 2-Seat bench is inspired by the design of the popular Mies van der Rohe Bauhaus Bench, introduced and made famous at the German Pavilion of the 1929 International Exposition held in Spain.

The frame of our Exhibition 2-Seat Bench is constructed from premium grade ash hardwood - 4" wide x 1.5" thick - with 5 finish choices. The stainless steel legs are hand-polished to a high luster finish, are 1.5 inches in diameter and have a smooth plastic foot. There is a choice of seat height: either the standard 15" height (using 9 inch legs) or 18" seat height (using 12 inch legs).

The cushion surfaces consist of 40 individual top-grain, aniline dyed leather panels; each piece is cut and hand-sewn using a hand-rolling welting technique not found in other similar benches on the market. Inside the cushion is high resilient - high density polyurethane foam. The cushion is supported by leather straps screwed to the frame and whose top match the leather color.
Please read our Exhibition Bench for more details on our benches.

Dimensions:

Overall: 52w x 21.5d x 15h
Seat Interior: 52w x 21.5d
Seat Height: 15h
Weight: 48lbs

Customer's Own Material:

44 SF Leather
3 YD Fabric

LEATHER AND WOOD CHOICES

LEATHER CHOICES

Below are the leather colors we offer for this product. Our **Standard Leathers** (denoted with the prefix L1) are top-grain, aniline-dyed, and then color corrected with a slight embossing to create a more uniform grain pattern. Our **Premium leathers** (denoted with the prefix L2) are also top-grain, aniline-dyed but have a soft feel to them and much of the hides natural grain patterns are retained.

All of our leathers are considered equally durable and are ideal for home or commercial use. To read more about leather, read our A Guide to Understanding Upholstery Leather: A Primer. Features of our leather include:

- Top-grain Italian leather from Grade A hides
- Semi aniline-dyed (standard) and 100% aniline-dyed (premium)
- Made in Italy and imported to our factory
- Have a UV and Moisture Guard built into the dye
- Are not split hides or bonded leather

We are happy to mail you a physical piece of leather so you can hold it in your hands.
