DESCRIPTION

Also known as the Tube d'Avion Table, this LC6 table designed by architect Le Corbusier. Our table is the only one on the market that is offered in the standard table height of 29.5 inches. There are four sizes of glass tops available, this one is the 33.5 x 88 inch size. For the other sizes, please see this main product page located at this link: [MC-2056](#)

Our Le Corbusier Style Dining Table is inspired by the Le Corbusier's LC6 Table and features a steel tubular frame, adjustable glass supports and a thick glass top which beautifully coordinates with his other classic designs and is a wonderful choice for contemporary dining areas. The height adjustment allows for a finished table height of 29.5 to 30 inches, including the .70 inch glass thickness.
