DESCRIPTION

Note: This quick ship item is only for the Mies Style: Exhibition Loveseat - Arctic White. If you would like a different color, please go to the main product page for this item: [MC-1002](#)

Our frame is constructed from premium grade solid bar stock stainless steel. All joints are fully welded, sealed, and seamless. The frame is hand-polished to a mirror-like finish. The geometry of the frame is accurate to the Mies van der Rohe original design. Four snaps attach the back cushion to the frame; 2 snaps and a belt attach the bottom cushion to the frame.

The cushion surfaces consist of 64 individual top-grain leather panels; each piece is cut and hand-sewn using a hand-rolling welting technique not found similar loveseats on the market. The seat and back cushions are filled with high resilient - high density polyurethane foam that is CAL117 flame test rated. The cushions are supported by leather straps riveted to the frame and whose top and side edges match upholstery color.
