DESCRIPTION

Our Florence Knoll Style Bench - 48 wide version is inspired by the 1950s bench designed by Florence Knoll.

Our 48 inch wide Florence Knoll Style Bench is offered in both Italian leather or our exclusive textured fabric. Each bench is handmade using modern furniture construction techniques for superb seat comfort and durability. The cushion surfaces on this model consist of individual panels which are hand-sewn together using a straight stitching between the tufting points. Buttons are standard, however, you can request no buttons. All models have the welting (piping) around the perimeter edges of the cushion and frame. Exposed legs and frame are made of 14 gauge 1 inch square stainless steel tubing polished to a mirror-like finish. Our construction techniques provide a solid bench perfect for commercial and residential applications.

LEATHER CHOICES

Modern Classics Furniture offers two levels of Top-Grain Italian Leathers. Each of these groupings feature:

- Top-grain Italian leather from Grade A hides
- Semi aniline-dyed (standard) and 100% aniline-dyed (premium)
- Made in Italy and imported to our factory
- Have a UV and Moisture Guard built into the dye
- Are not split hides or bonded leather

We are happy to mail you a physical piece of leather so you can hold it in your hands.

Below are the leather colors we offer for our Barcelona Collection. Our **Standard Leathers** (denoted with the prefix L1) are top-grain, aniline-dyed, and then color corrected with a slight embossing to create a more uniform grain pattern. Our **Premium leathers** (denoted with the prefix L2) are also top-grain, aniline-dyed but have a soft feel to them and much of the hides natural grain patterns are retained. All our leathers are considered equally durable and are ideal for home or commercial use. To read more about leather, read our [A Guide to Understanding Upholstery Leather: A Primer](#).
